

dabber template

Please print this template and scan back, or design digitally.

This PDF can be opened in all Adobe programs with the layers separated.

If designing digitally, please include your artwork in the YOUR ARTWORK layer.

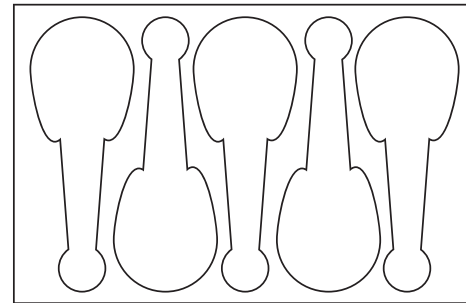

Please send your completed artwork as *pdf, Ai, psd, jpg, png, or tif.*

BODY

NECK

HEAD (DAB END)

It works better if the dabbers can nest together during production.

But do not let it limit your design!
